“ *My heart sank yesterday when I saw the paper with Celeine's picture and the notice of her passing. I remember the days we spent as children playing at my grandma Martin's house in Carney Oklahoma. I cherish those memories as she was the only person I had as a "sister" as a child. She will always be a part of my life and I will have you, her family, in my prayers*

“ *Christa,
I am so sorry for your loss. I remember spending the night at your house in jr. high on Powell Road, your Dad fixed us all banana splits and hanging out with you and your sister. We always had lots of fun. She was a beautiful girl and although her life was short, she left a huge impact. Your family is in my thoughts and prayers.*
