

Charles "Chuck" Burroughs

January 1, 1927

Charles "Chuck" Burroughs - 87, born on January 1, 1927, and departed peacefully on February 20, 2014. Chuck was born and raised in Media, PA where he attended Nether Providence HS until he was drafted into the Army and served two years. He spent part of that time serving in Germany where he told stories and how he would buy candy for the children every payday and go out into the streets where they would come running. That gave him so much joy. He lived a good part of his life in St. Petersburg, FL and then later came to Texas and was a resident at The Terrace of the Woodlands Assisted Living Facility in the Memory care section. He met and married the love of his life, Winnie in 1949 and they had 4 children. They were married for 62 years until her death in 2012. Chuck was a house painter most of his life and took great pride in his work. One of his biggest joys in life was going to the racetrack and betting on the horses. He was also an avid sports fan and loved all sports, especially baseball. He enjoyed a brief stint playing for a major league team. He was a devoted husband, father and grandfather. Family meant everything to him. He is preceded in death by his parents, Charles and Mary (Ormsby) Burroughs, his wife Winifred (Austin), his brothers Raymond, Joseph and Robert, and his two sisters, Thelma Jones, and Elsie Eisenberg. Survivors include his daughters Judy Willing (husband Tom) of Montgomery, TX, Connie Dorsey, sons Robert (Bob) and Joseph (Scott) all of St. Petersburg, FL., 9 grandchildren, 8 great grandchildren and several nieces and a nephew. Alzheimer's claimed his memories and then his life. Sam Houston Memorial

Funeral Home is entrusted with his final arrangements. The family will have a private Memorial at home as per his wishes. You are invited to leave memorial condolences on our website, www.shmfh.com

“ Judy,

Such a nice tribute to your dad! I know how much joy these last years brought to him when you, Tom and Connie and all the kids could spend time with him in Texas. Godspeed.
