“ Dear James Family: Words simply can't express how much Walker County is going to miss "Charlie James." He was one in a million and I know how much he loved each and every one of you. The morning conversations at the feed store won't be the same without Mr. Charlie there to give us his take on things. May you find the peace that only the good Lord can grant you during this difficult time.

“ I first met "Capt. James" at the Ellis unit a lifetime ago. He was a remarkable man with a great sense of humor, and could make the best out of anything. I still remember the time we had a couple hundred pounds of turnips donated and he was trying to find different ways to utilize them. Ever tried "turnup coleslaw?" It worked. He continued to be a wonderful friend and the best sausage maker in the great state of Texas. We will miss him, but Judy, we will see him again on the other side. God bless; you are in our prayers.

Sweeter friends cannot be found anywhere and we just want you to know that our hearts go out to you as you feel your way through each day with such high emotions. May the Lord bless and comfort you as you face difficult decisions and stress that goes with the adjustment you will face. Know we are here for you, always.
