“ *I just came across this Memorial, I grew up with Chuck in Concord, we lived a couple houses apart. Chuck was a great guy, and we had more fun than you could ever imagine. Although I hadn't seen Chuck in many years I often thought of him. Rest in peace man.*

“ *My deepest condolences on the loss of Chuck. We were classmates in Westwood Elementary School in Concord, California and the best of friends. I still have photographs of us together, and he did have that smile all of the time. Even though distance separated us, he was always in our thoughts and prayers. I'm glad to see that he enjoyed life and know that many people will miss him.*

“ My heart and prayers go out to Tracey and the boys. Chuck was a fine man that I don't think met a stranger? Only met and visited with the family during Christmas and they were so warm and inviting to everyone.

“ I also will miss Chuck very much. I love Susie's nickname "Chuckles". Every conversation with Chuck started with a good joke. Did you hear about...Chuck touched all of our hearts in a very special way. I expect Chuck will not just be remembered....but enjoyed! As should be.

“ We were so sorry to hear of Mr. Chuck's passing. My son, Ryan, loved working with him at the Montgomery TaeKwonDo. As a mom, I appreciate the love and attention he gave to my son. Mr. Chuck had a passion for the sport and passed on the spirit to the children. Ryan and I also loved going out to his Christmas light displays. Mr. Chuck spotted Ryan in the crowd last year when TLC was taping their episode and invited Ryan to stand alongside him with his family. Needless to say I was very touched by his gesture to include my little guy in such a special way.
You will be missed!

“ Chuck was a very loving and in-love husband to my sister, Tracy, for 28 years. They were together since the day they met. When Chuck became a dad, he was 100%. Although the time he had with his boys was cut short, he gave them a lifetime's worth of learning about what it means to be a good person, to be strong, loving, sensitive and kind. He had an especially close relationship to his in-laws, my parents, Jim & Treva Elliott, who consider him their son. May he rest in peace and his memory and spirit be treasured by all who knew him. Fondly, Alana Gentry & Bob Meyer

He not only brought great love to our daughter Tracy, and produced two beautiful grand sons, he brought love, laughter and joy to us every day. In fact, he brought goodness, joy and laughter to every one who had the good fortune to run into him.
