“ *Charles was a very good friend, not only in the public schools of Huntsville, but also a fellow Boy Scout in Troop 98, he played a season of football with us for the Huntsville Junior High Hornets. Long after graduation from HHS, we would meet for lunch or supper to discuss common interest, forestry, cattle, etc, he built/welded the gates and corner post for my property in Walker County. He was a welcoming sight at each HHS Reunion. He was an honest man, a humble man, and he will be missed by all he knew.*

“ Charles was one of my very favorite HHS classmates. Because we were placed in classes by alphabetical order, I was in his class all throughout grade school. Such a more intelligent and kinder person it would be hard to find. He and my husband, both CPA's, had much in common. I truly will miss him at the HHS reunions and I am sad knowing a sweetheart of a man has passed. He made this life better because of his presence in it. My sincere sympathy. Doris Warner Phelps
