“ *As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends. Proverbs 17:17 says, "A true friend shows love at all times. And is a brother who is born for times of distress" Grief can be so hard, but our special memories help us cope. Remembering you and your loved one today.*

“ *Countless days of golf and countless years of hunting courses to play on, Charlie, James Gregory, Edmund "Boo" Brister and James Collum spent on the golf courses that we could get to and back in one day. We had enough fun to last a lifetime and then some. Seldom does a day go by that I don't think of one of them or all of them and recall the friendship we all shared. The light they spread will last as long as someone remembers them. I thank God that we were all Christians and its not over.*

In Loving Memories of my Friend,
