“ *Heidi & Mr. Bill,*  
*We are so sorry for the grief and pain you are going through. We loved (and still love) Charlotte so much as we do the two of you. You are like family to us. I will never forget the times and the coffee we shared working together at the Center. She was such a wonderful lady who has truly touched all of our lives in so many wonderful ways. We will miss her dearly. We love you both so much and are always here for you if and when you need us.*

“ *Life is but a stopping place  
A pause in what's to be  
A resting place along the road  
To sweet eternity.  
We all have different journeys,  
Different paths along the way,  
We all were meant  
to learn some things,  
But never meant to stay...  
Our destination is a place  
Far greater than we know.  
For some, the journey's quicker,  
For some the journey's slow.  
And when the journey finally ends,  
We'll claim a great reward  
And find an everlasting peace,  
Together with the Lord.*

*Praying for you, CB*

“ Heidi, we are so sorry for your loss; we pray that God carry you and your family through this time of need and may he continue to carry you on those days that seem to get a little tougher than others. Please remember, your Mom is always with you and she will always be there for you - heart and soul - just open yourself up and you will feel her presence around you every day. I know you have so many wonderful memories to cherish and those memories will help you so much; especially the ones when you can laugh out loud about something she did or said; a warm feeling will pour over you and you know she is right there laughing right along with you. May God Bless,
