“ *I have so many fond memories of Mrs. Charlotte. It is hard to begin with any of them. She played such a major role in my life from childhood through to an adult. Bible school and church on Sundays. She used to sit in between me and Brad to keep us from talking and looking out the window at the lake which is where we both preferred to be in the summer. It is hard to express what she means to me and my memories will always be there. She was a great woman and will really be missed.*

“ *My thoughts and prayers go out to Mrs. Charlotte family during this difficult time. Mrs. Charlotte played such a big part of my childhood memories and will never be forgotten. She would take all of us kids in Stephens Creek Trailer Park to church or vacation bible school at a drop of a hat. She and Mr. Winter's brought my brother his first bike and taught him how to ride. Mrs. Charlotte was always there for my family and myself. She attended my wedding and was there for me when I gave birth to my son. She was a remarkable woman and I'm a better person for knowing her. She showed me the Lord and true friendship.*
