CHELSEY MUNOZ PASSED AWAY IN A CAR WRECK ON HER WAY TO WORK THAT MORNING ON 06-25-2024. Chelsey was such a bright person. You could never have a dull moment with her. Her love for her kids and friends and family could never be denied. She was full of light and strength, if there was a way she had the will. She was the glue for her siblings and friends. Chelsey was the most understanding person, and she was never one to judge someone for anything. She was such a beautiful and outgoing soul. I hope

you are dancing high in the sky like you would be down here. You are very loved and going to be very missed.

God put you back in my life and I was so happy. Every time you'd call me, I'd light up, the feeling was so intense it would change my whole day. Every time my phone went off I hoped it was you. The sound of your voice and your energy would light up the whole room. I love you Chelsey Nicole Munoz. To the moon and back a thousand times. My best friend. My only true friend. You put up with my dumb ass and I am so thankful. I don't know how you did it. Then again you were a handful too. Im kidding you were perfect. " This is God bro." Well, it sure as hell doesn't feel like it now!!! I miss you so much. I love you forever beautiful. – Wayne
