“ *To Cheryl and family, I didn't have the pleasure of knowing your Mother very. I first met her at one of the Matlock/Bates family reunion that i attended with Pete. Since then I have felt like I had known her my whole life. She was a joy or as we liked to call her "A Hoot" I loved her spirit.*

My best to you and your family. God Bless.

“*Cheryl, so sorry about your loss. I know Cherrye will be really missed. She was such a cute lady and has been in our lives for so many years as a good neighbor and friend. I wont be at the service as I dont think I can hold out this close to losing Steve. But I am praying for you and have you in my thoughts and prayers. Ill see you when I go to Mamas again.*
