“ *To the Meehan Family, I know and remember how close your family was over 20 years ago and I'm sure the bond only grew stronger over the years. My heart skipped a beat when I heard of Cheryl's passing and I'm certain that close family bond is shining bright in the Meehan family fashion.*

To Carol, I know exactly what you are feeling at this moment. I lost my only Son two years ago and it is an empty and unnatural feeling that tugs at the root of your soul. I promise it becomes bearable in time. I cursed and prayed to god to send me a sign that my Boy was okay and in a good place and God answered me and gave me a clear message that only could have come from my son Cody while in the mountains of Colorado.

My prayers and thoughts are with you guys

“ My thoughts and prayers are with all of you at this very difficult time. Cheryl was so special to our family and was always smiling. I have such good memories of her being with Pam. It is said that God doesn't give us more than we can handle but that is so hard to understand at a time like this. We all know that she is in a better place. God keep you strong.

“ It's so difficult to lose someone you know and love. I can imagine it's even harder when that someone is your daughter/sister. Although I haven't seen Cheryl in a while, I'll never forget that young girl who was a bridesmaid at my wedding. She really was mature and played this role so well. I could go on and on about memories of Cheryl, but then no one else would have a chance to write anything. Let me just say: Cheryl is now with her dad in heaven, and he's taking his turn taking care of her. Carol, you don't have to worry: Cheryl is in good hands now. What a brave girl! She serves as a model for all of us. Enough, Jan. Love all of you, Jan

“ I thank God for bringing such a wonderful person into my life. No matter what was going on, she always stayed positive. As her hairdresser, I got the privilege of making her not only feel good physically, but also mentally about herself. We would share stories about our lives, and loved ones. Over the years, she had become a great friend. She was an amazing woman, and will be greatly missed.

“ To The Whole Clan,
I consider it an honor to have known Cheryl. Since your family so warmly welcomed me about a year ago I had the privilege of getting to know Cheryl. She was so sweet and easy going and never complained about a thing. She always spoke kindly of other people. She will be missed greatly by all of y'all and me as well. She is on the other side now, saying hello to the ones who left here before she did. I can't wait to see her again one day with that big beautiful smile. God Bless you all...1 Corinthians 15:55 "Where, O death, is your victory? Where, O death, is your sting?"
