“ *Our deepest sympathy to ANGLE, Riley and Charlie Marie.. my husband and I are members of HBN. Our organization has know Chris through his flag dropping at our golf outing for Sheppard Spinal Center in Atlanta. This past thanksgiving my husband donated to the helicopter and Chris's flag drop at golf outing. I was able to ride with Chris and Riley during that flight. I was so happy to meet Chris during many of our golf outings and meet his beautiful daughter. Chris will be missed by many. Our prayers are with you all. 🙏🙏 Bill and Sue Butler*

“ *Our condolences go out to Bill, Regina, Sarah and Daniel and their families. We had known Chris for 30 years. We spent quite a bit of time on the water with him, where Chris was most comfortable. Our kids, Eric and Heather, grew up around him. He was there when our granddaughter Kayla was born at 3:00am in the morning. He was also known by our parents and extended family. He was well liked by all of them. His humor and friendship will be remembered. Carolyn Don Shutts & family*

I had the please of helping Christian purchase his lot in Lake Conroe Hills to build his lake retirement home. What a great guy with tons of life ahead of him. I had not seen him lately, but want you to know that my thoughts and prayers are with you and your family at this time.
