“ I'm so sorry to hear about Chris, and your - his family's - loss. Although I have seen Chris several times since, most of my contact with him was during his high school days, when he often was at my house with my kids, or they were with him. Chris was always so polite and such a likeable kid. Yes, I still think of him as a kid - as I do my own - and know you all - friends and family - will miss him. My thoughts are with you.

“ *Alldaffer Family: I am so sorry for your loss. Reading these notes from people who knew Christopher made me smile. I only remember him from when we were kids hanging out at Grandma's. I remember he was always having a good time aggravating us. It sounds like he grew up to be a gentleman. I am praying that God will give you all the strength to get through this.*

“ Chris worked with us here at Bear Services 1998 into 2001. He was a joy to get to know. We had many good laughs. Although he was young, Chris was always ready to work and work hard. He was always willing to help with what ever requested. Over the past years I have ran into Chris several times and each time we greeted each other with a hug. Chris made a difference in all our lives here at Bear and he will be missed greatly. Your family will be in our prayers. We pray that Gods work will be done through this tragic accident.
In Our Prayers, from all of us at Bear.

“ Chris was of superb character, he taught me many lessons about accountability, that shaped the man I am today. I remember fishing on the shores of Lake Conroe, playing backyard football, hog hunting, driving the 'mule' to death, spending nights out in the woods being boys. He will be missed by many- including me. Love you Chris, sending prayers for the entire Alldaffer family- Love you all. May you rest in peace, and watch over us all... WK

“ If you knew Chris you knew you weren't the only one he impressed with his good manners, loyalty to his friends, good nature, and his ability to find a way to make you smile if he thought you weren't having a very good day. Chris will be so missed by so many of his close friends who I know will find it hard to believe they can't just pick up the phone & talk to him. But we will all have our memories of Chris which we will hold so close to our hearts always & be able to say we are glad we got the blessing of having Chris in our lives. I pray for his family and that all your sweet memories of your son, brother, uncle, nephew, grandson, and fiance' will give you some comfort in the midst of this unbearable pain.
