“ I just learned of Chris' passing. Even though we hadn't spoken in probably 20 years?, I wanted to reach out to him on FB to say hello, and that's when I learned the sad news. Chris was my bud at Langham Creek High School. He was such a fun guy and I loved chatting with him at school. (We taught across the hall from each other.) I sometimes got together with him and his then wife on the weekends, too, and that was always a great time! I know he is greatly missed by all who knew and loved him. What wonderful memories you must have.

“ Hi, Bowie family  
I just learned of Chris' passing and wanted you to know how much I enjoyed working with him as a colleague in the social studies department at CFISD and respected him as an administrator. It takes an unusual mix of compassion and firmness to work with the special student populations that Chris chose as his career and calling. He did both--reach out with compassion and set firm boundaries--with sensitivity and grace. I was proud to call him a colleague.  
just a special hello--Diana I hope you are doing well. I remember you as a bright spot in my years at Cy Creek.

“ I met Chris while working at Cy-Fair ISD. He and I became good friends. I always admired his resolve to get things done. He never hesitated to accept a challenge to accomplish a project or task. He always completed every project in a superlative manner.

*Chris, I will miss you greatly.*

“ *Mr. Bowie was a great man. He became a friend when my sons attended ALC East. He was tolerant and very helpful. I will miss my friend.*
