“ *Mr. Field*

I was saddened to hear of your loss. I didn;t know Mrs. Field all that well, but she was always kind and friendly when she visited with Dr. Berwick.

I also want to thank you for visiting with me and my family at the hospital when we lost Roy. You were very kind and we appreciated your visit and prayers.

Wishing you Peace, Hope and Light

“ Dear Field Family,
I am so sorry for your loss please accept my sincer condolences at this time. Something that I have found to be a great source of comfort is the thoughts expressed in the Bible at John 5:28,29 where we see that God by means of his son is going to bring our loved ones back to life. Also at Revelation 21:4 we see that God is going to eliminate all of the causes for why we have sorrow,pain and even death itsel. it is my sincere hope that these thoughts bring your family comfort at this time. Once again I am so sorry for your loss.

“ I am so sorry for the loss of Mrs. Clara. I had the privilege to care for her and get to know her and her family just a little bit in Pulmonary Rehab. She was quite a shining star the few times I could see her. May God bless all her family and friends during this time.
