“ *Deepest symapthies to the Yearout family. It's never pleasant to be in the hospital, but it was always pleasant to see Ms. Yearout's face when you were feeling so bad. Ms. Clara helped so much with the births of my oldest children and I know that she will be fondly remembered by hundreds of other families like mine. I grew up with Ms. yearout at FBC in New Waverly and she will always be part of my earliest memories there. Glod Bless...

“ To the Yearout-South family,

I extend my deepest and most heart-felt sympathies during this time of sorrow. I had the utmost pleasure of working with Mrs. Yearout many years ago at HMH and she was very instrumental in my early training. I will never forget her as she represented my image of a "real nurse" in her manorisms and in the care of her patients, delivering the utmost level of care in an extremely compassionat way. The world of healthcare truly benefited from her choosing it as her lifeswork and she will be remembered fondly by those who had the pleasure of working with her, those she trained and those that she touched with her healing hands. God bless you all and thank you for sharing her with us.

“ *I would like to offer my deepest sympathies to you. Although we haven't met, all of us have experienced the loss of a loved one. I am so sorry for your loss. Please know that you are never alone. Turn to the Holy Scriptures for guidance and to help soothe your heart. Psalms 34;18 assures us that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.*
