“ We are so sad to hear about the passing of our friend, Clint. He was always humble, and he trained very hard while at our martial art school. Years ago, he competed in his first jujitsu tournament, and he won 1st place! He was always very pleasant to be around, and it especially struck me how kind and gentle he was with CJ and Jessica. That's a true warrior, kind and gentle, and fierce when needed. I remember the very long hours that he spent to prepare for his Sergeant's test. He was very diligent. Please know that we are here for you Jessica and CJ, and our hearts and prayers are with you. Shawn Hammond (Sensei Shawn)

“ You are more than a Friend, a co-worker, or a fellow Officer. You are a family member. My BROTHER. A man of integrity, with strong family values and ethics. A person who would help anyone he could, and always with a positive attitude. I have truly known none better than you brother. I am truly thankful and feel blessed for the time that I have been able to coexist with you. I gained a lot from it. This is what I will think of when I think of you. I love you and I will miss you.

“ *Clint was a great father, husband, and friend. His family was his top priority at all times. His greatest joy was watching his son play sports. I don't think a week went by without Clint sharing a video or story of his son playing baseball and other sports. He was Little Clint's biggest fan. There will be a huge void now that Clint is gone.*

*Clint was very caring man and would do whatever he could to help a person in need. He was taken too soon. Rest in Peace Brother. We love you and miss you. You will never be forgotten. JG*
