November 15, 1935 - November 4, 2023

It is with great sadness that the family of Clyde Wayne Burns has announced his passing on November 4, 2023 at the age of 87 years.

Clyde was born on November 15, 1935, to Carl and Lena Burns in Pilot Point, Denton County, TX. He graduated high school in Grayson County, TX in 1952. He began working in the oil field soon after. He thoroughly enjoyed working in the oil field and worked there until 1957. Clyde was offered a position in tank building at Pittsburgh-Des Moines Steel Company that he could not pass up. He spent many years in the Water Tower Industry and did everything from tank building to foreman to superintendent.

Clyde married the love of his life, Patricia, on December 24, 1960. The Water Tower Industry brought Clyde and his family to many places throughout the United States until they settled down in Huntsville, TX in 1969. After retiring in 1998 from Pittsburgh Tank & Tower Group, he went to work security at the Walls Unit until 2009 when he retired for good.

Clyde's favorite pastime was carpentry work and genealogy research. His hobbies included golf and playing gin rummy with the guys at Elkins Lake.

Clyde is survived by his wife Patricia Burns; sons Carl Burns and Gregory Burns; daughters Lisa Burns-Valdez (husband Charley) and Brenda Coates

(husband Howard); his five grandchildren Amy Brush, Charley Brumley, Jami Arnold, Caleb Brumley, and Cole Brumley; and his five great-grandchildren Elliah, Wyatt, Ryder, Savannah, and Avery.
