“ *Madonna and family, We were so sorry to hear about the passing of Clyde. You and Clyde were one of the first couples we met when we moved to Pt. Aquarius twenty years ago. We will miss seeing him taking his puppy dog for a ride on the golf cart. Our thoughts are with you during this very sad time. Kip and Claudia Koons*

“ Clyde was one of those friends that was always there. In years past we fished together on Lake Conroe and out on the water he was as at home as any man could be. We always got to laugh a lot, tell some really good jokes and catch lots of fish. Clyde always checked on me if there was a problem and was a huge loving support when my wife Nancy died. Real friends are there and don't really have to say much. Clyde was a real friend and I will miss him. I know he suffered a lot the last few years of his life and his suffering is over as he now has gone home to be with the Lord! Praise God! John Gosselink
