“ It is with deep regret I learned of Clyde Taylors death, I first met him in 1955 when I came to basketball practice with my older brother Bruce Sanders . He & Danny wells would also "josh" with me during practice. To the family I share the sorrow with you

“ So very sorry for the loss of your Dad. He was always a good friend and was very helpful when I hire on at TCI. He was always fun to work with. I will always think of him as very helpful and fun to work with.

“ I am so very sorry about hearing about Clyde passing away. I knew I had not seen him in several years but I always enjoyed running into him in town. He was my first supervisor when I was hired on with TDCJ in 1991.

Clyde was a good boss with an incredible sense of humor, that made our jobs so much better! I am sure he is in Heaven right now telling the angels jokes!! Sending sincere condolences to his family. Rest in Peace, Clyde...

“ Melissa,  
I am so sorry for your loss. When I think of Clyde, I think of a crazy comic. He was always smiling and had such a quick wit about him. I'm sure he is laughing and telling jokes in heaven today! God bless you and your family during this difficult time.

“ Melissa, your dad was already pretty much established in Data Processing by the time I hired on. He was a character and always showed his sense of humor. When he was no longer working with us, there was such a noticeable absence without him. When He was at Industry and I got to start seeing him there. I know you will miss your dad so much more than those of us that worked with him everyday. I'm sorry for your loss and wish you the best. Clyde will live on in your heart just as my parents do in mine. Clyde has a place in mine, as well. Fond memories.

Melissa, I reread my first posting and spellcheck was not my friend. What I was meaning to say was that when I found your dad working at Industry, he was always happy to see me. We were coworkers for a long time and in Data Processing and Data Services. There has always been a strong bond between us all. I don't know, maybe all long term jobs are like that. I was sorry to hear we lost Clyde. He was a good man.
