

Clyde Dean Wehunt

September 28, 1927 - April 12, 2022

Clyde Dean Wehunt peacefully passed from this life on April 12, 2022, surrounded by family.

Clyde was born on September 18, 1927, in Sandusky, Alabama to Jesse Thomas Wehunt and Effie Belle Brown Wehunt who preceded him in death, along with sister Doris Wehunt Norris and brother James Talmadge Wehunt. Clyde is survived by a daughter, Jan Wehunt Roberts (Cliff) of Searcy, Arkansas, and two sons, David Wehunt (Beth), of Houston, and Dean Wehunt (Regina), of Kingwood, along with 3 grandchildren and 5 great-grandchildren.

Clyde attended school in Valdosta Georgia at Dasher Bible School where he met Julia Nell "Judy" Skinner of Montgomery, Alabama. Clyde served on Victory and Liberty class ships in the U.S. Merchant Marines from 1945 to 1946, and Clyde and Judy were married on March 2, 1946, after Clyde's Merchant Marine service was completed.

The family resided in Pasadena, Texas, from 1951 to 1973, and in Katy, Texas from 1975 to 1995. In early 1995 Clyde retired, and a few months later his wife Judy passed away. In 1999, Clyde moved from Katy to Elkins Lake near Huntsville, Texas, where he resided for the remainder of his life.

Clyde was employed as an Accountant at Petrotex Chemical in Pasadena for

19 years, as an Examiner for the State of Texas Credit Union Department for 4 years, and as President of Brazos Valley Schools Credit Union headquartered in Katy for 20 years. Long-time Houston area resident Clyde especially enjoyed fishing, playing golf and bridge, and rooting for his two favorite teams: the Katy Tigers and the Houston Astros.

Clyde's family want to say a special thank you to his many friends and neighbors from Elkins Lake whom he was so fond of, and especially for their wonderful support during his recent period of declining health.

“ Our hearts break at the passing of our precious friend, Mr. Wehunt. He was our dear neighbor in Katy, Texas. We enjoyed his friendship there for many years before he moved to Huntsville. We visited him there once and he treated us to lunch at the clubhouse and we had a fun visit. I know he was so happy there. We have enjoyed sharing Christmas cards with him and updates on life events over the past 20+ years even this past one. I will cherish my final Christmas card from him in his handwriting - his words were always so sweet. I have included a couple of pictures. We threw him a going away party when he moved and there was a great picture of him with all the neighborhood kids who he was so kind to and enjoyed stopping to visit with while out on bike rides. Our youngest adored him! Then there is a picture of our visit with him at Elkins Lake. He was such a kind soul. What a terrific man you had as a father and grandfather. Peace and blessings to you all during this time.

“ *My husband Bill Balusek and I played bridge with Clyde at Elkins until Covid shut us down and Bill passed suddenly a year and a half ago. Clyde was such a delightful soul. I so enjoyed his company. It turns out that we had a close friend who also went to the Dasher Bible school a couple of years after Clyde. I will miss him.*

Martha, he dearly loved and enjoyed his bridge friends. I am his daughter in Arkansas and my health didn't permit me to be there for the service today but we watched it and were so pleased with my cousin's ulogy. We talked to Daddy every day and he kept us laughing and SO encouraged. We miss him terribly already. Thank you for your special note!

“ *My heart hurts of the loss of Clyde, my neighbor and dearest friend. What an honor it was having moved next door to him in 2004, and becoming very dear friends. Our lives were definitely blessed by having Clyde in them. Rest In Peace. Judy, Butch and the Steven Thiele family*

“ *It's hard to express my thoughts in a condensed statement; however, I must tell what Clyde has meant to me over the years. Our relationship began by our association as members of the Katy Church of Christ in May 1976. I was one of three who served on an elder selection committee that designated Clyde and Clodis Cox as the church's first elders. Besides that relationship, Clyde hired me to work with him at the Brazos Valley Schools Credit Union. I worked for him from June 1978 until his retirement in February 1995, at which time I assumed his role as president of the credit union.*

Clyde was my mentor, my friend, and in some respects, my father. He gently guided me through most of my adult life, and I and my family are much better for it. Thanks be to GOD for Clyde being a part of my life. I am what I am because of his impact on my life and family.
