“ *I didn't know Cody, or his mother, and never have been to Texas. Today, I just happened to read the amazing tributes to your family. Actually, it made me quite sad. But, how truly remarkable that Cody and his family had such a great impact on others! How nice and decent of them to say so. It's truly devastating to lose someone you care for and love. I've lost dogs I loved, and to this day can't talk about them... Would that everyone who passes have friends like yours. Peace.*

“ *Jim & I were so sorry to learn of Cody's passing. We saw the obit in the Houston Chronicle today. Our prayers are with you and Chance and everyone who loved him. My happiest memories of Cody are when he sang & played the guitar around age 3, I think. "Picking Up Bones" was a real favorite. May the Lord richly bless your family & give you the strength and wisdom needed at this difficult time.*

“ We will always remember the great times we all had playing baseball in Magnolia. Shonna always helped carpooling the players and her sense of humor was the best! Cody always had the smile at second base even when rounded it one day and really hurt his knee. His dad ran over and Cody didn't want to quit playing. He loved the game and we all loved watching him play. Coach Fontenot had his hands full. We will miss both of them and send you our prayers.

“ The Hussey Family I am truly broken about the loss of Cody. Tilton you and Shonna raised two wonderful men and I am sadend that you have lost your amazing wife & now Cody I loved them both very much. When I think of Shonna I always recall when tender heart & when she picked out the Â“whiteÂ” carpet which brings a smile to my face no matter what I may be feeling. And Cody WOW he was my buddy from the moment he hit Magnolia HS since he knew me from my moms barber shop. It just warms my heart on what an impact he made on my life as a friend who I laughed & cried with. He will always be in my heart and his wonderful memories will never be forgotten. I am praying for your entire family at this time and I know God has a purpose for you all. Trust in the Lord with all your heart, lean not on your own understanding; in all your ways acknowledge Him and He shall direct your path. Proverbs 3:5-6
