"What we have once enjoyed we can never lose, all that we love deeply becomes a part of us." Cole "Tuffy" was one of the most tender hearted people you would ever meet, even though he tried to cover it up with his TUFF exterior. ### Never Gone

By: April Pegoda

You gave no one a last farewell, nor did you say good-bye  
You were gone before we knew it and only God knows why  
A million times we will miss you and A million times we will cry  
If love alone could have saved you, then you would have never died  
In life we loved you dearly, in death we love you still  
In our hearts you hold a place no one else will ever fill  
It broke our hearts to lose you but you didn't go alone,  
For apart of us has gone with you,  
When God decided to call you home  
We will meet again someday  
I thank God for making you apart of our lives  
While you were here on Earth.
