“ I am so sorry to hear about your loss of your dear loved one. The time spent with them always seems so short. Please find comfort in the promise from God that he will resurrect our loved ones, John 5:28. The bible also says that "Jehovah is near to those that are broken at heart; and those who are crushed in spirit he saves." Psalms 34:18. My prayers are with you and your family, Sandy

“ *If tears could build a stairway
And memories were a lane,
I would walk right up to heaven
To bring you home again.
No farewell words were spoken.
No time to say good-bye.
You were gone before we knew it,
And only God knows why.
My heart still aches in sadness
And secret tears still flow.
What it meant to lose you,
No one will ever know.*

“ *Even though she's gone
her memory still remains in our hearts.
Her smile and face will never fade.
We think of her as we go on each day.
The good times we remember
and the days spent together
will be in our memories forever.*

*So when you start to get down
and you really want to cry
just think of the fun times
and don't wonder why.*

*Just leave it at that
and know she's better now.
She's in a better place.
Her heart was right with God.*

*So Courtney we love you
and we miss you so much
but we know you're much happier.
So watch over us and make sure we're okay
and we will see you again someday.*

*Love,

Alexis & Allison*

“ Do not stand at my grave and weep,
I am not there, I do not sleep.
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush
Of beautiful birds in circling flight,
I am the starshine of the night.
I am in the flowers that bloom,
I am in a quiet room.
I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave and cry,
I am not there. I do not die.
I see the sparkel in your eyes
so do not cry for me
I will be with you always
when the wind blows.flowers bloom-sunshine-starlite sky -birds sing
a morning rain
do not cry for me I am in no pain

While words can not express the thoughts and feelings we have for you, we want you to know how deeply loved you will forever be. Your time here was cut way too short. You will live on in the hearts of the many family and friends who love you. We will always remember your beautiful smile and joyful spirit. We hope you are happy now and pray that God wraps you in His arms.

“*Mari, As my best friend, I find it very difficult to put my thoughts and feelings into words that would help you find comfort. I can not say I know how you feel. I pray everyday gets a little easier for you to bare. If I could, I would gladly trade places with Courtney just so you would have you beautiful daughter by you side. I know I can not. Just remember that she is at peace now and God has wrapped his loving arms around her and she is now eternally safe and happy. I am here for you. I love you and together I will help you through this very hard time.*

Courtney, watch over your Mother. I know she will find comfort in knowing you are there to watch over her, Matt and Troy! Fly free and be happy. I love and miss you so much already!

“ To Katherine, Terry, Daisy and Audrey.
God saw the need she had. He took her home. Today her soul is with him. He set her free. Free from the worry and trials of this earth. God is good. He loves her as no one or nothing else ever could.
He loves you all as well and will heal the void in your life, in time. Right now, he gives you the time to grieve for her and have some closure. My prayers are with you all and for the whole family, whom I do not know. The only time I saw Courtney she was a beautiful little girl and so excited about being at Daisy and Terry's wedding. She became a beautiful young woman.
My daughter loved her and she loves Daisy and Audrey so much, I can only say, "Hold on to God's love Liz." Rest assured my prayers and my love are there for you as well as it will be for all the family during this great sorrow.

“ I was very shocked to hear this horrible news about Courtney. She was a flash of brilliance and kindness in a difficult and dark place. I will remember that she was looking for love and was willing to give and share hers. I am sure God will look after you. I am happy that Audrey and I will make it home in time to see you one more time.

“ Dearest Mari, Matt and Troy, words can not quite define what we are all feeling but I will give it a sincere attempt. We all loved Courtney and I feel at peace to a degree because we know where she now resides, at the side of God.

I believe she is an angel watching over us all the time now.

She was taken way too soon and that makes us all question, why?

Only God knows the answers to that.

I have loved your family for so many years now and I will continue to do so forever. I am here if you need anything, anything at all.

I love you Mari, Matt, Troy and Courtney always.

*Sincerely with all my love,
Susan*

“*Mari-no words to say could ease your pain - know that she loved you and knew you loved her to, as only a mother could. Look to the sky and in every cloud you will find an angel looking and watching over you and when you see that image you will know your precious baby girl has become one of gods angels and finally is flying free as only Courtney can. Always know we are here for you in*

To our sweet sweet Court - baby girl we will miss you so very much - but for every breeze we feel on a windy day - we will think of Courtney as it will be you. For every bird that sings in the quietest of days - we will think of Courtney, as it will be you. When the sun shines through on a cloudy day we will think of Courtney, as it will be you. When a single rain drop falls and hits our face - we will think of Courtney, as it will be you. For every scent we smell - the scent of you, will remind us that you are not gone but only in body never in spirit and always watching over us and loving us from heaven as we loved you so much here on Earth. Good-bye our sweet sweet Court we will miss you so.

“*Mari, you are one of my dearest friends and know that I am here for you now and always. I am so sorry for your loss and know that there is nothing I can say to help ease your pain. She is with God and in Heaven looking down with love and joy in her heart for you, Matt and Troy. She will be a guardian angel to you and the boys and will always be in your hearts. She is at peace and she knows how much you love her and miss her. Always remember the good times and the precious memories that you have. My heart goes out to you, the boys and your family. I love you my friend.. I am here for you.*
