“ *I remember Curtis from band and work during my high school years. He was a truly selfless person who didn't hesitate to help others, even if it meant putting himself on the line. In light of such a tragedy, it's comforting to know that this flawed world is only a temporary place and we will one day rejoice in eternity. Although I can't imagine your pain right now, I pray that God will provide you comfort and strength in this trying time.*

“ Dear Mike, Lisa & Robert, Scarlett and I send our prayers and condolences. We can't imagine the pain you are going through. I remember Curtis and Robert from our deer lease in Pontotoc. I remember how Curtis razzed his little brother about the shot placement on Robert's first bow kill. We looked for that deer for hours until you finally found it under a mesquite tree. I remember those great times. May our loving Father comfort you all through all of this. I wish I would have known of the funeral sooner.

“ I have many sweet memories of my cousin, Curtis. We spent many family holidays playing in the field beside MeeMaw and PawPaw's house, and trying our best to beat MeeMaw at Wahoo. I cherish these memories as I grieve over our loss of him in our family. But I'm comforted by the fact that we will be together in glory someday. His faith in Christ was real.....and that is the truest victory! I pray for the peace that passes understanding for my Uncle Mike, Aunt Lisa, and Robert. Although many miles separate us, my heart is in Huntsville today with you.

“ Curtis was a great friend. We played volleyball, raquetball, board games, and video games many times while at Blinn and SHSU. He loved to eat and would never gain a pound. He was real layed back and would go for whatever. I remember riding in "Elmo" his old red and white truck and later meeting "Loretta" his new Jeep Liberty. I, along with everyone else, will miss Curtis deeply. I pray for peace at this time for his family.
