Yes, Cindy convinced me to wear the H-GAC Recycling Super Pup costume and join the TX Forest Services' Smokey the Bear to advertise our annual Tree Giveaway at the Walker County Veteran's Services Center.

“ Cindy hired me as her Assistant Superintendent in 2006. She introduced me to City, County and State leaders in our community and soon, we all developed a stronger bond. We continued the annual Trash Bash and Texas Forest Tree Giveaway with even more volunteers than before, Bluebonnet Seeds for City parkways, Electronics Recycling Day, Household Hazardous Waste Collection Day, successfully lobbied our City Council for automated garbage trucks instead of manual lifting of trash carts and successfully earned Grants from the Houston-Galveston Area Council of Governments to host these community events. While I served as the Chairperson of the Houston-Galveston Area Council Solid Waste Diversion Committee representing 13 Counties, Cindy was always there for support and encouragement. She taught me how to complete the very complex Texas Commission on Environmental Quality annual reports, our City department's multi-million dollar annual budget preparation and then presentation to our City Council. Our dedicated, hardworking, eager to learn staff of 23 employees consisted of some with over 20 years of service, mostly under Cindy's direction. My most favorite and forever memory will be how she and David shared their bushels of tomatoes and jalapenos in exchange for a couple of jars of my homemade hot salsa! Cindy was the "salsa" of my career with COH.

“ I worked with Cindy at the City of Huntsville after she helped me get the job (and meet my future husband in the process 😊). Her accomplishments were truly inspirational. Working with her on the Keep Huntsville Beautiful project is one of my favorite memories from my time at the City. She will always be remembered fondly. May she rest in peace.

“ I first met Cindy 20 years ago as a Master Gardener. She was a real good getter in everything she did in life. I served on numerous boards with her as well as an election judge. I will so miss her amazing spirit. GONE TO SOON.

“ She was the very first person I met in town when I moved here. I walked past the old HQ and couldn't believe such a place existed. I walked in and her smile was the first bit of kindness I knew here.
