“Mrs. Cross was a bright spot in the lives of both of our children who were fortunate enough to both have her as a teacher at AOA. Her love for Jesus penetrated her every breath and was breathed into the lives of our children. For that she will always be remembered as an incredibly special part of our lives!

“The first time we met, I was in 6th grade, in a choir concert, and she was the accompanist. I got to accompany one song for the choir that night, and she was so sweet and caring. When it was my turn to play, she sat next to me with a big smile, helped calm my nerves and encouraged me all the way. I'll never forget that. I was blessed to have her as an accompanist again while at SHSU; such a talented musician! My condolences and prayers to the family during this time.

“I met Cynthia singing in the University Heights Baptist Church choir. She was a bright light in the room and I enjoyed listening to her play the piano. She is missed at the keys!
