“ As you all know we lost a very special man in
our life's who is loved more than ever, I was
very blessed to have met him and spend the
last 7 years around him. Dale is loved and
missed by my son very much as well, always
shooting at targets, squirrels and rabbits. Our
family misses him dearly and always will. “ Dale, I want you not to
worry I will watch after your family and help anyway I can. Well until
we meet again, I just wanted to say I love ya and miss you being

We miss you so much Jason, and love you. God must of needed you there, with my dad in Heaven. Tell my dad, there isn't a day that goes by, that me, and my mom doesn't think about him, and now you. Me, and my mom are trying to hang on as much as we can, but the sadness always comes back. But as long, as my dad, or you are throwing us signs from Heaven, we start feeling happy again, because at least we know y'all our still with us, and doing okay. We love y'all so much, and can't wait to join y'all in Heaven.

Love y'all, Emma ❤️🌸

“ I was the biggest daddy’s girl. I gave him a birthday party every year, I cooked for him and my mom every weekend, we went to ren fest every year and we always loved watching him karaoke Marie Lovou. He was the best daddy a girl could ask for. He taught me to fish and hunt with the best of them. I was his biggest fan as he was mine. My world will not be the same without him. I love you so much daddy and wish you were still here. We need you, but we know you are in a better place. Please watch over us and know we will all see you again. RIP Daddy aka Dale Wilson. ❤️🙏❤️
