“ *Danny was one of the smartest individuals I've ever known, literally and figuratively. No matter the topic, Danny would know something about it. But his most endearing quality, in my opinion, was the way he loved his wife, his daughters and his granddaughter fiercely. There was no bigger heart when it came to his family and friends and I think that is perhaps the most important quality one can possess. Love. You are already missed Danny. Godspeed. Wyedette*
