

Daniel Thomas Bohan

June 10, 2010

Daniel “Dan” was born in Belvidere, Illinois to parents Thomas James and Nancy Lou Bohan. He was raised in a devout Catholic home and attended Parochial schools most of his life until graduating from Quincy Senior High School in 1978. All through his high school years, Dan worked odd jobs to save money to travel the world as a percussionist with The Phantom Regiment of Drum Corps International. During his four years in Drum Corps, he won three national championships. His musical talent led to a music scholarship in Huntsville, Texas at Sam Houston State University, where he played in the marching band. Dan met his wife, Billie Jean Bureson-Bohan, while attending Sam Houston State and the two married on March 16, 1983. He graduated in 1986 with a Bachelor’s Degree in Psychology and a double minor in music and chemistry. He and his family moved to Houston and Dan attended The University of Houston Pharmacy School, from where he graduated in 1990 and he and the family moved back to Huntsville. Dan worked as a pharmacist for twenty years in Huntsville and Trinity, Texas. His hobbies were working on the farm and taking care of his numerous animals, but his true passion was his family. He was lovingly known to many as “Dr. Dan”, “Farmer Dan”, “Daddy Dan”, “Donnie”, “Dan the Man”, and “Lt. Dan”. On March 16, 2008, Dan and Billie Jean celebrated their twenty fifth wedding anniversary and renewed their vows at their home. Dan had a blessed life and touched the lives of many. He is survived by his wife of 27 years Billie Jean, daughters Calicia and Castyn, son Clayton and his wife Laci Boley-Bohan; his

parents, Thomas and Nancy Bohan, his mother in law Ophelia Burleson, his twin brother David Bohan and wife Lisa and their children Dalton, Lanessa, Lexanna, and Libby; his sister Patricia Coates and her husband Jim Coates and their children Nolan and Jared; his sister Mary Chapel and husband Don, and children Jessica, Justina, Janine, Jordan and Joseph; his sister Cathy and her children William, Casey and Austin; his sister Virginia and her fiancé' Darren Fierge and her children Grace and Gavin, and his youngest brother James "Jimmy". Services will be held at the First Presbyterian Church at 10:30am on Thursday, June 10, 2010. Following the service, interment will be at Forest Hill Cemetery in Livingston, Texas. Visitation will be Wednesday, June 9 from 6 – 9:00pm at the Sam Houston Memorial Funeral Home. Memorials may be made to Sam Houston State University – Music Department 1751 Ave I, Huntsville, Texas 77341. Memorial condolences may be made at www.shmfh.com

“ *Daddy-your baby girl graduated Saturday and it was beautiful, you would be so pleased. You left us one year ago yesterday and the pain is still surreal. I cry tears of joy everytime it rains because I know you would do just about the same in this drought! And everytime the wind blows, I know you're sharing your airconditioner with us. I miss you DEARLY and love you very much! Oh!-we put up a road cross for you that says "Daddy" with a barbed wire halo-I just hope it will make people slow down in your curve. I love you Daddy! “ Dear Bohan family,
I'm very sorry to hear of your tragic loss. I had the pleasure of becoming close to Dan during our years in Drum Corps. We didn't march in the same corps but usually had the same tour schedule. (I marched in the Crossmen Guard from '77 - '81). He was definately full of life, the world is a sadder place without him. When I think back to those days it always puts a smile on my face. Rest in Peace Dan - see you some day.

“ Dear Billie, You do not know me; but, I just lost my husband, Daniel Peter Bohan, August 5th. We have many things in common from what I have read about your husband. Perhaps you could call me sometime. I will leave my number and email with the funeral home. Perhaps we could help each other. My husband's guestbook can be accessed at www.moneyandking.com. I was searching for information on my husband and found the notices about yours. My prayers are with you. GLORIA BOHAN

“ Aunt Billie Jean - I have to apologize for misspelling your name. I know how to spell your name and I immediately noticed it. I did not want to be a repeat of the misspelling like the chat board a church story my mom told me about. Billie Jean!!! :-) Much Love!

“ [10:49:17 AM] Casie Schaffer: I want to extend a sincere thank you to The First Presbyterian Church along with Lockie Archie, with your beautiful voice; the song could not have been more fitting. Also to the ladies of the church, you have given such true support to my family and I cannot thank you enough. A big thank you to the funeral home as well. Doug, you were wonderful and Danny would have been proud of you! Danny, I will miss you dearly. Only God could have said it better, “You are a servant from God made of wisdom and integrity.” God Bless. All the love in the world from Danny's Sister, Catherine.

“ Aunt Billy Jean - I will forever wish I was able to be there last week. My thoughts and prayers went/still go out to you and Calicia, Castyn, Clay every day. I miss you all so much. I loved seeing and talking to Uncle Dan, I always felt he looked out for me in a small way. Every time I was around him I learned something new, whether it was a historical fact or a fact of life. I loved to hear what he had to say. I always looked up to him and respected what he had to say. I only wish I could have spent more time with him. I am just thankful I have the memories I do. I think I could write a mini essay, but I really hope that we can see each other sooner than later. Much love to all of you!!! Love Casie.

“ Dear Bohan family...I had the pleasure of knowing Dan for many years via our work - mine in doctors offices and his at the pharmacies he worked at over the years. He was one of the kindest, funniest, most compassionate men I have ever known. Many is the time he would go over and above his job to help one of his customers to make sure they would be able to get their life saving medicine. Because of the close spelling of our last names people would ask were we kin and I'd kid him that I was the sister that he never knew about - and I would have loved to have such a man as part of my family. The pride in his face glowed when he would show pictures of his kids and wife. He touched so many lives in so many good ways. Thank you for sharing him with the world because the world was a better place with him in it. Our hearts are with you during this time of need. God bless you all.

“ To Dan's family: I'm so sorry for your painful loss. I met Dan a few times as he, Mary and the others came from Quincy to Rockford that first year to march with the Regiment. I recall Dan - along with Steve - asleep on our living room floor, drum sticks still in hand. He was a dedicated young man. He'll be missed by many. My thoughts are with you all during this very difficult time.

“ Dear Bohan Family: I was shocked and saddened to hear the sad news. I marched in the Regiment tenor line with Dan from 1979-81. Dan and I came from very different backgrounds and it took us a while to get to know each other, but by the end of our third year together, I considered Dan one of my closest friends. I'll always remember giving it our all at our last drum corps show at DCI Finals 1981. After leaving the field, we both saw each other in tears. We started laughing and gave each other a big bear hug. It was an honor to spend those years with Dan and I will always remember those times.

“ To Billie Jean, and the Bohan family,
It was an honor to speak personally with you on the phone. I could literally write a book here, but lets suffice to say that Dan was an unforgettable person. The bond between the tenor lines in the Phantom Regiment are legendary and Dan has always been a part of that legacy. We have wonderful stories about Dan that bring us to laughter and also stories that remind us of his talent and giftedness. Tomorrow (the funeral) will be a day of celebration of the life that he was given to make an impact on the people that he was in contact with. My prayer is that you will celebrate the man who brought love and smiles to many. For us, he was taken far too soon and it's hard to understand and grasp, but please know that Dan's life made a difference to many and he will be sorely missed. May the Lord bless you as He gives you peace and comfort. We will continue to pray for you all!

“ *Billie Jean, Calicia and Castyn, Clayton and Laci, Words cannot express how sad we are to hear what had happened to Dan. Uncle Jim and Aunt Nancy always have done a nice job of keeping us updated on all of my cousins. Dan grew up to be a wonderful husband and father. I will have lots of fond memories of our childhood. Please know that you all are in our thoughts and prayers.*

“ *To the loving family of Dan Bohan. There is a community of Flying Dutchman Drum and Bugle Corps alumni on Facebook. Dan's very good friend Kevin Sherman sent us all a message about Dan's unfortunate accident. We are all very saddened. Dan, Mary and I marched together for my two years in the corps 1976-78. I remember him as a very nice young man and always quick to look out for the younger members of the corps. I can tell from all of the messages that he loved his family and will be truly missed. Sending all of my best wishes and prayers for the Bohan Family. You will be in my thoughts.*

“ My thoughts and prayers go out to you during this tragic time. I have only known Dan for the short time he worked at Walgreens. He always talked about his family and his farm. He was a great Guy and will be missed by all of us who worked with him.

“ Calicia and family
After reading this "wonderful tribute" to your father, now I know why you are such an exceptional young lady! I had no idea he was such a devout Catholic I too am Catholic and went to Catholic schools. Please know your mother,sister and brother will be in my fervent prayers.
Be strong. Even though you lost him so early in his life , You WILL have courage to press on.Know this is what he would want.God needs him now.

“ *Dearest Billie Jean and family, gosh there is so much i could say about Dan, we loved him and I will especially miss that cheerful voice when he would call me about a problem with a refill. Then of course we would talk about our kids and family. Dan loved his family so we could talk forever. Our thoughts and prayers are with you and we will be here for you if you ever need anything .
