

## Daniel Dean Thomasson

July 25, 1957 - November 14, 2020

Daniel Dean Thomasson - lovingly known as Danny, 63 of Centerville, Texas suddenly passed away Saturday, November 14, 2020 in Centerville, Texas. He was born on July 25, 1957 in Fayetteville, North Carolina to Daniel Tylas Thomasson and Doris Seifert Thomasson. He was a graduate of Huntsville High School.

Dan was a loving Son, Husband, Father, Grandfather, Uncle, Friend and Dog Dad.

Dan is survived by his loving wife of 17 years, Sandra Lynn Thomasson of Centerville; Mother, Doris Seifert Thomasson of Huntsville; Sister, Vera Thomasson Johnson & Brother-in-law, Jay Johnson of Huntsville; Son, Curtis Lynn Newcomer and Fiancé Stephanie of Kingwood; Grandsons, Tylas Patrick Newcomer of Moss Hill & Nash Jameson Newcomer of Kingwood; Mother-in-Law Linda Rollins, numerous relatives in Germany, and Dog, Bullet. Dan was preceded in death by his Dad, Daniel Tylas Thomasson and Brother, Cleo Glenn Thomasson.

Dan's favorite pastime was hunting, fishing, and spending time with family and friends. He loved tinkering and repairing things the MacGyver way and was ready to help others at a moment's notice. He had a kind heart, a gentle soul, was quick with a smile, was a hard worker, and loved to make people laugh.

Dan had the wonderful personality qualities that made you feel wanted, included, and that you were always in his mind's eye. It didn't matter if you had just seen him yesterday, or it had been three years ago, the next time you

saw him again, it was like you had never been apart.

Dan was dearly loved and will be sorely missed by his family and close lifelong friends.

The love and respect of his family and friends combined with the characteristics listed above, all attest to the type of person Dan was and the life he shared with us while on this Earth.

Dan will truly be missed. Memorial Service will be on December 12, 2020 at 1pm at Sam Houston Memorial Funeral Home, Huntsville, Texas. Visitation will immediately follow the service. “ From the first night that we all went to your home in the trailer park near Laura, we became friends. He made us feel that way. He had such a big heart and was a friend to everyone, I still have a hard time believing he is gone, He loved life to the fullest and the love he had for Sandra was like no other. He lite up every-time she walked in the room. Will see you again my friend in that big sky above.

“ I was lucky enough to be Dan's insurance agent for over 32 years great years. It shows how committed Dan was to things that we were together that long. He was more of a friend than a client and our conversations always went long just catching up with life and happenings. There are always those few clients that are just a pure joy to work with from the smart decisions they make to the way they treat you. Dan was a blessing to have as a friend and client and will be sorely missed.

“ *The first time I met Dan I felt like I had known him all my life. Dan would make you feel good about yourself and was sincerely interested in how you were doing. A type of person you enjoyed being around. He always seemed to have things under control. Men like Dan are few are far between. I consider it an honor to have known Dan and I will truly miss seeing him in this life but I know we will see each other again in heaven. Until then my friend! God be with you till we meet again.*

“ *I will always have fond thoughts and memories for Dan. He intoduced me hunting and fishing, thus providing me with an alternative activity to a self destructive lifestyle. Unknowingly, he save my life and provided me with a new view and attitude towards life. My family and I will be forever grateful . He was a very positive person to be around and I am thankful to have shared a path with him. Rest easy my friend, hope to see you on the other side.* ”

“ Dan D Man was much more like a brother than a friend. He made such an impact on me & my family - there is definitely a little piece of my heart missing since his passing. From working together at Schaffer Precision to all of our trips together - we certainly made a lot of great memories. Hunting & fishing from Montana to Normangee- the big house on the Sabine - trips to Tennessee, Costa Rica, Mexico, and many more. Life will never be the same but you will always be remembered. I Love You Brother.

“ So sad to see that you have left us old friend. We still talk about some of our early exploits with fond memories, I was looking forward to getting up there to visit you soon but I guess I'll have to wait a while. See you on the other side brother, and you, Glenn, Jeff, and Dana drink one for me when you get together. I miss you all.

“ I, like Hal & Ralph, could not believe it when I saw your name, Danny. My heart is breaking, not only for myself, as you were such a great guy who was taken way too soon, but for your family. VERA, my heart goes out to you, big!!! I know the hurt of losing a parent, mother passed 2 years ago & it still seems so surreal, but to lose your brother. I am so sorry & pray God's peace be with you! Love to all & Danny, until we meet again dear friend... As it's said, what a day of rejoicing that will be.

“ I thought I was seeing things when I saw his name. Shocked beyond belief. We had so much fun in high school. He got to come home when Brown Oil Tool moved here. I reconnected with him after Glenns funeral and got to see and talk to him when he needed Corvette parts. I always marveled at his success in life. I want to express to the family my heartfelt condolences. We lost a good one.
