“ We also met Dannis in Long Beach at the Beacon Inn when he was in the Navy. Always loved his slow drawl and laugh. We were happy to reconnect and see him every two years at the reunions (missed him this year!) where we got to know him better. Every once in awhile he'd pick up the phone and call for a short chat. While driving back to Minnesota from Calif. last winter we came through his area and gave him a call....met up for a delicious steak dinner, great conversation and laughs! Precious times...precious memories. Those who know the Lord will all be together for that Big Reunion someday, won't we? Bless his memory. ~ Jim and "Sissy"

“ We knew Dannis from the Beacon Inn Servicemen's center when he was stationed in Long Beach back in the 60's. When he got out of the Navy we lost contact with him but reconnected again many years later. He was a great guy who loved God, his family and friends. He will be missed by all who loved him. We will see him again someday in heaven when we all get there for that big Beacon Inn reunion. Love and prayers for the Stuckey family.

“ *Rush and I would like for the family to know how sorry we are for the passing of their father and grandfather having happened so rapidly. We are so glad we were able to get to know him at the Beacon Inn Reunions. We played a lot of domino's together. We will be keeping all the family in our prayers.*
