

Danny Ray "Sug" Slott

January 4, 1951 - January 11, 2011

After a long, courageous battle with cancer, Danny Ray (SUG) Slott went to meet the Lord and his family. Born in Conroe, on January 4, 1951, his suffering was rewarded January 11, 2011, surrounded by his family at his home in New Waverly.

Survivors include his wife of 38 years, Pat Slott; devoted sons and their wives, Kevin and Nichole Slott of Spring, TX, Clifford and Heather Slott of New Waverly and Clint and Candace Slott of New Waverly. The apple of his eyes were grandsons, Ayden Slott, Hunter Slott, Bryce Slott, and Tyler Koonce and granddaughters, Allee Slott and Gracie Koonce. Other survivors include his sister Linda Welborn and husband Jimmy; sister-in-law Debbie Halter of New Waverly; brother-in-law and wife Donnie and Linda Marshall of Waterwood; sister-in-law Liz Stegall of Devine; nieces, nephews, great-nieces and nephews, aunts, uncles and cousins.

Sug's passion was deer hunting. Hunting season couldn't come too soon and always ended too fast for him each year. Not only did he spend his time hunting in New Waverly, but also made several trips to Colorado and West Texas. He also enjoyed fishing, especially the annual seining trips. Another enjoyment each year was to gather money for the Walker County Fair. With his efforts, numerous youth's projects were purchased through the New Waverly Group. It didn't matter whether they made the Big Sale, Horticulture,

Baked Goods, or Freezer Sale. His goal was to see they received a fair amount for their projects.

The family would like to thank Dr. Tremor and Dr. Shukla and all the nurses and staff at Huntsville Memorial Hospital. They would also like to thank Dr. Forbes and his nursing staff, the staff of Odyssey Healthcare of Conroe, our family and friends who helped and supported us.

The family will receive friends Friday, January 14, 2011, 5:00-7:00 p.m., at Sam Houston Memorial Funeral Home; followed by rosary and remembrance at 7:00 p.m. Services for Sug will be held Saturday, January 15, 2011, 10:00 a.m. at Sam Houston Memorial Funeral Home Chapel with graveside service to follow at Elmina Cemetery in New Waverly.

“ Dear Pat and all the family,
I am so sorry that we could not be at Sug's services. We were all out of state for my step-daughter's wedding, but held you close in our thoughts and prayers. Your family has always been special to me in so many different ways in good times and bad. Pat, I will never forget the morning you knocked on our front door to tell us about losing Wayne. Now those two brothers are in Heaven catching up. Kevin, Clifford, and Clint -- never forget the lessons of life that your dad taught you. Linda, I have experienced your heartbreak at knowing that you are the only one of your original family left. Be strong. For all of you, I know your journey with Sug through his long illness was so hard, but I also know from experience how much closer it brought your family and what precious memories were made along the way. I will always remember the last time I saw Sug -- sleeping peacefully next to your Christmas tree with the love of family all around him. Pat, look into the faces of your boys and their children and be comforted in knowing that a part of Sug lives on. God bless all of you, Vergie Dotson

“ We are so very sorry to hear the passing of Sug. He was a very kind, and hard working man, who loved life and nature at its fullest. We will miss him and his funny hunting stories while we were at the meat counter. New Waverly will never be the same without Sug and his Mother, Mrs. Slott. They were both respected icons of the community. Sug's journey on this earth is over. He has gained his reward of Eternal Life in Heaven. May God and Our Blessed Mother embrace the family with grace and strength to endure their loss.

“ I am so very sorry for the loss of your loved one. Sug was one of the people that vividly reminded me of my childhood. I will never forget going into Slott's Grocery on Thursdays with my Granny(Virginia Hoeser) and heading straight to the back so she could get her meat for the week from Sug. Even now, it is sometimes difficult for me to walk into the store. I have so many wonderful memories there, and I thank you all for that! I'm sure that Granny and Sug are in Heaven catching up on things as we speak. My thoughts and prayers are with you all through this difficult time.

“ Fay and I are both sorry for the loss of Sug, however it is comforting for us to believe he is with Sam, Noma Lee, and Wayne. I considered him a friend, a good husband and a great father. You will probably not see me this weekend due to a cold, but if we can be of any help please let us know.

“ Pat and the family, After reading all those wonderful tributes to Danny Ray that your friends and family have written, there is not much more that could be said. He had courage to keep battling; cancer may have won the battle, but Danny won the war. Thank our Father that he is at peace with no more pain. My prayers are for you to find solace in that knowledge.

“ Dear Cousins Pat, Kevin, Clifford, and Clint,

I keep this devotional by Julie Ackerman near to me and I believe it describes how your husband and father lived:

"As He was leaving this planet, He promised, "Peace I leave with you, My peace I give to you" (John 14:27). He told us to turn the other cheek, go the extra mile, forgive offenses, reject greed, tolerate each other's weaknesses, live to serve and love one another as He has loved us."

What an honor for Sug to have lived a life according to the way Jesus taught us.

“ *Dear Slott Family,*

I do not have the words to express how I feel about your whole family. Sug meant so much to so many. It didn't matter if we needed him at the fairgrounds, or the FFA banquet, picking chickens or sheep buying trips, he was there. Always there. He truly loved the kids in New Waverly, and they loved him in return. What a beautiful family Sug and Pat made. I know you will give each other strength. I prayer for strength and peace for you.

“ There are not enough words that can be said or expressed enough when you loose someone dear and close to you. We are only here for as long as he allows us to be,when our time is up we leave many behind hurting and begging for just one more day. Pat I may not know exactly what you are going through or how your feeling, but I do know having to lay the man you spent your life with and cared deeply for down to rest isn't easy for I had to do the same at a early age,it's scarey but only God will get you through it, with alot of faith and strength, May the Peace of The Lord Be With You and your family through this difficult time. “ *What a pillar of strength New Waverly has lost, and heaven has gained. Seems that anytime anyone needed to know something about show animals or hunting they headed straight to Slott's Grocery..... Sug always seemed to have a smile and kind word for everyone. He was a true patriarch, and his family extended way beyond blood ties. I'm sure gonna miss seeing him pull up hours before daylight to wake them boys up to go hunting! But be assured his legacy lives on in each and every one of us who learned a little something from Sug Slott!*

Pat & boys - be sure to call on us should you need anything!!

I know that you are feeling such a void. Siblings are such a blessing and we just think we will always have them.
