“*Darla was part of our family for 17 years. She loved to give gifts! She remembered birthdays and acknowledged special occasions. She thought of us as her own. "It's a Darla Day!" meant, "Let's get this place picked up so Darla can do her job!" We will miss her so much!*

Praying for peace and comfort for her family...

Much love to all!

“ *I am so sad and devastated by this and that it has been so many years since I've seen you. I was talking with Renai just a few weeks ago about your family. As I drove through Huntsville on Monday, I wondered how everyone is, not knowing this had happened until today. I have so many memories, but planning my wedding with you is one of my favorites and that was 21 years ago! Charisse and Trent are also in my thoughts and I wish I could be there tomorrow. This is yet another reminder that life is short and we should make time for friends regardless of distance.*

“ I am so heart broken, We met Dau and Jimmy over 10 years ago when Jimmy started teaching my boys to rope and we had a relationship that was great, we traveled with them and they traveled with us. A few years ago we started camping and fishing together and we always were camping and fishing. Me and Dau would sit around for hours talking about different things and what we wanted to do, while Jimmy and Dennis were out checking the lines for the fish we would eat that night. we are going to miss our Camping and fishing partner, words can not describe how we feel.

“ *This beautiful lady was an angel sent into my life at the age of 5. She and Charisse have been there for so many life events. I cannot imagine what life would have been without her smile, her words of love encouragement and her never failing way of always making us girls think for ourselves. I had the privilege of calling her mom for a long time and she was the very definition of that to me and many others. As a scout leader, a friend and confidant she raised a community of sisters. We all love you and we will never forget out lessons that came from you.*

“ *Darla was an authentically good person. You always knew where you stood with her. If you needed something, she would give you the shirt off of her back. She was one of the most caring, kind-hearted people I've ever known, and she was totally devoted to her family. They were the light of her life. i always had so much fun with her, and I always looked forward to seeing her at our Davis Family Reunion's each year. They won't be the same without her. Darla was a wonderful cousin, and I'll miss her. RIP Darla.*
