“ *I'm having a hard time wrapping my head around all of this and your not here saying, "well Shit happens and it is what it is"! Thats always been you... a realist. Also behind that tough guy is a big teddy bear with a heart of gold thta has always put others first. Thank you for blessing me witha a true FRIENDSHIP. I wish that we could've been there today but just know the kids and i are doing things in your Honor. I know that you have touched many and also know that your work here is not done. there is doubt that you are up in a better place watching over ma, Kyle in his new adventure, and so many others that you cared about. That is you, always looking outfor others you are truly be missed! You will forever be with us... we Love You Darly!! Always your family, Kim Kyle, Kevin & Kelsi*
