

David Carl Adamick Jr.

November 3, 2012

David Carl Adamick Jr. "SUPER DAVE" 7-28-84 / 10-28-12 On this day, God called a beautiful angel home. David was a wonderful son, father, brother and great friend to many. David was diagnosed with brain cancer on June 6, 2011. Even though there is no cure for this cancer he fought a good fight. Never giving up, staying positive and having strong faith in God. David battled cancer for 16 months with his family and friends by his side. David worked as a machinist at Halliburton and he loved his job. David leaves behind a number of family and friends who will miss him dearly but cherish the wonderful memories of him. David leaves his beautiful twin daughters Brianna and Kaylyn Adamick; his parents David and Cheryl Adamick; sisters Melissa Adamick and Ashley Beeson; nephews Jordan, Trey and Peyton; nieces Abigail and Layla; and grandparents, FJ and Shirley Adamick, and Betty Viniarski. David also has numerous aunts, uncles, cousins and friends that he leaves behind. The Adamick family would like to thank everyone who took out time to pray, send messages, make hospital visits, home visits and phone calls with concern of David's health. Words will never explain the love that we feel for each and every one of you. We ask that you continue to pray for a cure for this horrible disease. David lost his battle but there are plenty of people continuing to fight this cancer. Visitation with the family will be held Friday, November 2 from 6-8 PM at Sam Houston Memorial Funeral Home in Willis. Funeral Services are scheduled for Saturday, November 3 at 3 PM in the Chapel at Sam Houston Memorial Funeral Home in Willis with burial

following services at Elmina Cemetery. In lieu of flowers, the family asks that donations be made to The University of Texas, MD Anderson Cancer Center, "Brain Tumor Center", P.O. Box 4486, Houston, TX 77210-4486. You are invited to leave a written condolence to the family at www.shmfh.com.

“ *I am sorry for your family's loss. Our Heavenly Father never intended for our lives to end. In the near future He promises at Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*

“ *The world has lost one of the most down to earth individuals. David was the kind of guy that would literally give you the shirt off his back and because of that, that makes him unique. You will truly be missed! Keeping you and yours in my prayers. May you rest in peace!*

“ Dear Adamick Family:
I was only in the presence of this young man twice, but I knew then that he had a strong faith and love for God and his family. He shared with me some of his frustrations over his disease and having to travel so far so often and deal with people who were not always up to speed with what he was going through. He was funny, respectful, always in good spirits even when he was feeling bad. He showed me pics of his family..the girls, sisters, neices, nephews etc. and had a big proud smile on his face. I was so honored to have been able to be his nurse over the weekend that I was on-call, and am much richer as a person having met him.He really had the best nursing care he could have ever had and that was provided by his mother as well as his family. So often we forget that in caring for someone during illness, it is not only the physical but most importantly the spiritual and emotional needs that also must be met. Know in your hearts, you did these things for your precious son and it was apparent during our time together. Lil Dave, may you rest in the arms of your savior,made whole once again...until we meet again....blessed be,laurie- on of your nurses.

“ My thoughts and prayers are with you in your time of loss. I only knew David a short while, but always looked forward to the posts he put on Facebook. Even with one of the most devastating diseases, he kept such a positive outlook. I know how much he loved his girls, his family and his wife, Krista. I can't even begin to imagine the grief that you are experiencing at this time. Please know you are in everyone's thoughts and prayers.

“ I don't really know where to begin, David was so loving, kind, no matter where he seen me he would go out of his way to get to me to give me a hug and say hi Ms. Bonnie. I have alot of good memories of LIL DAVID when working at the burger shop, he was just an infant in the play pin, then he got to the the stage of learning how to get in and out of the play pin, he was so cute and funny doing that he would giggle at me he had such a cute giggle.I have alot of memories from the time he was a baby till he went to be with Jesus. LIL DAVID growed up to be a sweet, loving, kind hearted person, he loved his family, his children, his grandparents, his mama and daddy he greatly loved so many people, he had respect for everybody. When I get on facebook I would also read his post, he prayed nd he loved GOD, and wasn't afraid to tell it... We will all miss LIL DAVID he has touched alot of people's hearts. The Adamick family is like my own family I love you all and if there is anything we can do for any of you please feel free to call. LIL DAVID will be MISSED and NEVER FORGOTTEN. Love U Guys, Mike, Bonnie Hammons, and Family

“ I only got the privilege of meeting David a couple of times, but I was his friend on Facebook. His positive outlook and faith during this battle were so inspiring! He truly knew what it meant to seize the day and make every second count. My thoughts and prayers are with the family as you are left with only his wonderful memory.

“ As I sat here and read all the posts on David's Facebook I realize just how loved he was. So many of his friends talk about what an inspiration and how many hearts he touched with his compassion. And how he taught alot of people not to take the simple things in life for granted. He never got mad or blamed God for this horrible disease. Every morning I, as so many other people would go to facebook to read his post. I can promise you he thank God everyday for allowing him to wake up and enjoy his family, friends and his twins. I remember reading one of his post that went something like this" I've always took for granted the time I have with my luv ones!!! but when it's put on the table that every second counts, now it's most cherished....simple words that carry such a punch.....For all those that stood by him and never gave up on him, his family will cherish you all.

“ Our deepest sympathy goes out to you and your family during this time! May God wrap his loving arms around ya'll and embrace this family during this time. What a privilege to have had lil David in my family for many years and then again getting to re-unite with him while working my extra jobs. What a very strong, determined young man who not only accomplished what he set out to do, but did it his way. I'm so thankful that he got to spend every moment with his loving supportative family. I know he is at peace now, happy being able to watch over his family...I love lil David so much!! What a blessed testimony he was and will continue to be. Love ya'll and if you need anything, please call!!
