“ *We loved Dave from the moment Diane introduced him to us. When he smiled, he
smiled with his entire face and he just radiated goodness. His jokes were often
self-effacing as well as funny -- notably his pride in his "Body by Bud."We had
hoped to be able to spend more time laughing with the two of them when we all
retired, but it was not to be. Favorite memories include their visit when we lived in
Switzerland in the 1990s. We will try to find solace in knowing that Dave is finally
at peace, but our hearts ache for Diane.*

“ *Dave was a maintenance supervisor and my boss at AB for several years. What I
admired about Dave was his honesty. You could count on Dave to be truthful and
to stand up for one's job performance when requested by the company. RIP

“ *Dave and Diane are our best friends in Texas! Dave will be missed greatly,
especially with his teasing and joking around. It helps a little bit to know that he is
not suffering any more from that terrible disease, but it hurts to know that Diane is
without Dave. She is a wonderful and strong woman and best friend, and she
deserves all the good that can come to her. We love you, Diane!
