

David Collins

November 11, 1987 - November 16, 2014

David Robert Collins was born in Houston, Texas on Christmas Day of 1987 and tragically taken from us in a car accident on November 11, 2014. David lived his life to the fullest. He was a 2006 graduate of Magnolia High School and a 2011 graduate of Sam Houston State University. After losing his mom in April of 2012 to a lengthy illness, he aspired to find a career helping others. He worked at Conroe Regional Hospital and was a student at LoneStar College where he was accepted into the PTA program. His goal was to become a Physical Therapist. David was a very talented guitar player and had a great love for music. In 2008, he met Rosie Dempsey, the love of his life. Since then they shared a beautiful love and life together. He is preceded in death by his loving mom Cheryl Collins, his grandfather Bob Meehan, and his father Randall Collins. He leaves behind his dear grandmother Carol Meehan Albinson and will forever be cherished in the hearts of the entire Meehan, Dempsey, and Collins families, until we meet again. Visitation will be from 6-8 pm Friday, November 14 at Sam Houston Memorial Home, Willis, Texas. A memorial/celebration of David's life will be held from 2-5 pm, Sunday, November 16 at the North Montgomery County Community Center, 600 Gerald, Willis, Texas. In lieu of flowers donations can be made to the David Collins Memorial Scholarship Fund to benefit future students in the physical therapy program @ http://www.gofundme.com/h6cmbg?pc=mb_em. I had the Pleasure of working with David at Lowes. He was always smiling, funny and had a fantastic-positive attitude that would cheer anyone up if they were down. I was very sadden to hear what had happen. He will always be in our hearts and mind. I pray for you and your family to have Strength in these times. God bless.

“ God needed a special angel and now he has a very special one. My heart hurts for Carol, her family and Rosey. I have been blessed to meet the Meehans in 1982 when Carol and I went to work together. You all have such a wonderful family bond that all families should have. May God give you strength in the days to come. He will be in the hearts of so many people and they will all smile when they think of him.

“ I was not fortunate enough to meet David, but I have his younger cousin Nick in my Math class this year. I wanted to express my deepest condolences to David's entire family. I was very touched by what Nick told me about David, and I see what an amazing person he is by reading what others have said. I know his love and light that he shared with his family, friends, patients and coworkers, will be carried on by Nick, and everyone else who knew and loved him. God must have needed David in Heaven to help others. While that might not bring comfort right now, I truly believe that is the only reason something tragic like this would happen. I pray God wraps his arms around all of you grieving, and you feel His peace and comfort.

“*David is very special and will always will be to the staff at Conroe Regional Medical Center. He always brought smiles to our faces while bringing comfort and joy to the patients. He was a joy to those who worked with him. He is and will always be a great person who will deliver what is needed with quality and will keep giving for those who need him now and in the future. I am sure God has more for him than we will ever know. I just know he is where he is needed most as this given time. We may not know why but we need to accept the plan that God made for him.*

“ I want to extend my deepest condolences for your loss. David was a wonderful coworker and although I did not know him well, it is easy to see that he is an amazing person. He always treated everyone with kindness and loved to make jokes to make us and the patients we worked with smile. I feel so terrible that this happened especially at the time it did; I know it must feel incredibly cruel and of course shocking, and rightfully so. But, God can, and often does, bring beauty from the most terrible and tragic circumstances that occur. That doesn't help much with the pain of it, but it can give hope. He took David for a reason unknown to us, and why, we may never understand while here in this fallen and broken world. My prayer for you is that you can draw nearer to God in this time; press into Him. He will bring you through this. I pray also that His peace would surround and comfort you. God bless and you will be in my prayers continually.

Love in Christ,

2 Corinthians 1:3-5

He comforts us in all our affliction, so that we may be able to comfort those who are in any kind of affliction, through the comfort we ourselves receive from God. For as the suffering of Christ overflow to us, so through Christ our comfort also overflows.
