

David Roy Cummings

March 27, 1958 - February 16, 2019

It is with great sadness that the family of David R. Cummings announces his passing on Saturday, February 16, 2019, after a long and courageous fight with cancer.

David was born March 27, 1958, in Midland, Michigan, to parents Ira James and Phyllis Cummings, who preceeded him in death.

He is survived by his wife, Marilyn Cummings; son, Chris Cummings and wife, Tina; son, Michael Jeffcoat and wife, Liana; daughter, Jennifer Harvey; daughter, Melissa Maroni and husband Chris; brother Scott Cummings and wife, Terri; brother Kevin Cummings and wife, Liz; twelve grandchildren and one great-grandchild.

David moved 'home' to Lake Jackson, Texas, at age 6. After completing an Associate's Degree at San Jacinto College, he moved to Huntsville to attend Sam Houston State University, where he obtained his Bachelor's and Master's degrees.

He met his wife, Marilyn, while attending SHSU in 1994. They fell in love over a shared interest in softball, karaoke and slow dancing to Garth Brooks songs. They married in 1998 and decided that Huntsville would be their permanent home.

David worked in the technology field for 20 years at the Texas Department of Criminal Justice, Windham School District and Sam Houston State University, while earning lifelong friendships and respect in the field. While his career was very important, his life was ruled by love and devotion for his family and friends. David was a blessing, deeply touching many hearts over the years. He also touched the lives of many others in Huntsville, picking up the dinner tab for first responders and leaving large tips folded into small triangles for the wait staff.

He will be most remembered for his love of Game of Thrones, World of Warcraft, Mexican food (but no tomatoes), and a nice, chilled glass of Merlot.

Memorial services will be Friday, February 22, 2019, at 3 p.m. at Sam Houston Memorial Funeral Home in Huntsville, Texas.

In lieu of flowers, the family encourages donations in David's memory to the American Cancer Society at <https://donate3.cancer.org>, or to the American Cancer Society, Attn: Donations, PO Box 42040, Oklahoma City, OK 73123

“ David, thinking of you this morning. A life well lived but cut short too early. I still miss you, feeling that our best years were too short mostly due to my ignorance and arrogance. Instead of seeing you in later years, all I could see were your younger years. Shame on me. Still, I loved you little brother, and I hope you knew that.

“ Marilyn,
You and your family are in the thoughts and prayers of many at SHSU and all of those lives that you and David have touched. David is one of the sweetest and considerate individuals I have worked with at SHSU. He made a personal impact wherever he went and whomever he spoke with. He made a difference in my life and is a role model for all of us. I will miss him and will continue to keep you and all his family in my prayers.

“ Thank you, David, for loving my sister, Marilyn, unconditionally. Thank you for all the joy & laughter, for always encouraging and supporting her in all her dreams. For embracing all of us (family & friends) with love, wit and kindness. For the wisdom and strength you brought into her life. For always challenging her (and us) to be something more. For sharing your wonderful family with her. Thank you for the peace, love, joy, kindness, compassion, wonder and adventure which was all a part of you. My only regret is, living so far apart that I wasn't able to get to know you even better. However, it was never hard to see that wonderful and special person inside. You are loved by SO many, and will be sorely missed. Rest and peace, in His arms, until we all meet again. Love, Your Sis, Darlene.

“ David and I were classmates in Jr. High and High School - he was a year older (including our time in the Brazoswood Buccaneer Band). He had a sharp wit and a smirk that could make you laugh or crazy. I got to work with him later in life when David came to work in my division at TDCJ. I am unable to be with the family and friends at the Memorial Service, but send my love and prayers for all of you. He will be missed, but we will see him again one day.

“ David will be dearly missed, but at least now he has no pain. He was an angel that came into Marilyn's life and they fit together like a glove. He enabled her to feel safe, secure, and protected. He was her partner and HE LOVED HER DEARLY. For those things, I am so grateful. He enhanced her life and they had many adventures together. He will live on in those wonderful memories that she carries in her heart. Bear Hugs and Kisses! Debbie

“ Meremo -

*I am in joy knowing that Doc is now free - free of pain, free of cancer. I am devastated knowing I will never experience the fun, the magic, the compassion he bestowed on those he called friend. I remember the day you two were introduced and always spoke of the love we witnessed spark to flame. Our hearts go out to you and the family as you celebrate his many triumphs and legacies. Those that knew him will be forever changed. Celebrate that. I miss the songs, singing with him and knowing that every time I saw him, I would get the best hug ever. We love you so very much.

*I hear them saying you'll never change things
And no matter what you do it's still the same thing
But it's not the world that I am changing
I do this so this world we know
Never changes me*

*What I do is so
This world will know
That it will not change me*

“ Doc was our “computer guy” in the Old Wal-Mart building when I (Joy) worked for TDCJ. We were blessed to see he and Marilyn marry. I was diagnosed with a brain tumor shortly after I started working. Doc gave me a dream catcher, which was a special treasure. A friend and co-workers daughter was diagnosed with a brain tumor a few years ago. I gave her the dream catcher and told her of the special man who gave it to me. Another legacy of the love David “Doc” shared, which will live on through the lives he has touched. Our prayers and hearts are with you, Marilyn.

“Wow...I am heartbroken to hear one of my mentors, David “Doc” Cummings passed yesterday. His wife Marilyn is the reason I am in the IT field. She took the time to teach me and led me down this path. Doc took me under his wing too and helped lead me to where I am today...He taught me so many things...How to give compliments, show extra kindness, and the realization that sometimes the kindness we give to others are the only good things they see...“Make their day!” He was at times really hard to work for because of his high standards, expectations, and specific ways of doing things...and with that he sure made me grow! He and Marilyn have been such an inspiration in my life. I have prayed for the complete lovey dovey relationship they have for one another... Building each other up, singing, laughing, and sharing....Wow, Amazing, are such understatements! Doc thank you for believing in me and pushing me every day to do better than yesterday. You made a difference in my life and showed me that is what truly matters in life.

I love you Wolfman!!!

Wish I would have kept in touch better! Rest High!

Prayers for his family! May The Lord wrap His Loving Arms around you....May He give you Peace, Comfort, Love, Strength, and Understanding during this time of great loss. In Jesus Name, AMEN!

Love you Marilyn!

Sincerely,

Cherie
