“ *David had such a contagious smile. All of my memories of him are happy. I hope you will all soon be able to remember just those times without the pain he suffered. He is beyond the pain and probably talking with and smiling at all his family in heaven. My thoughts and prayers have been with you.*

“ I am so sorry to hear about David. He was a man of great faith and loved his family dearly. He was never concerned with himself but for others. He is going to be missed terribly by a;; that knew him or that was touched by him. May God bless and be with this family during this time. Linda be strong and know that God is with you all...

“ David was a man that deeply loved his family. He was in our Tuesday men's prayer group. He always mentioned Linda and the kids. David will be missed here on earth but he is with his Lord. We shared many stories together. There is one outstanding time we shared at M D Anderson. David was having a difficult time, but we shared prayers that day. David was not concerned about himself. David's prayer will never be forgotten. His prayer was specific for his wife and kids to be cared for and comforted by God. He was almost out of breath and his thoughts were for his family. I am proud to have David as a part of my life. His faith was a great example of a loving husband and father.
