October 2, 1946 - March 13, 2022

David Arthur Duesing age 75, loving husband, father, grandfather, brother, and uncle was called to be with Jesus Sunday, March 13, 2022 after a courageous battle to regain his health after falls resulting in brain bleeds culminating with Covid. He is now pain-free and happy. He was born in Taledo, Ohio on October 2, 1946 to Charles Duesing and Marguerite Perkins Duesing.

David graduated from high school in Austin, Texas and joined the U.S. Navy in 1966, served six years in Submarines during the Vietnam War Era. He began civilian life at the Austin Power Plant; met and married "the love of his life", Sally Hammonds. They moved to Houston where he worked at Petro Lite, and their daughter Whitney was born. David and Sally would drive to Huntsville to visit Sally's mother and liked it so much they moved there and then their second daughter Natalie was born. David worked for Brown Oil Tool and later started his own business, D & D Services. He eventually closed the business to be a one-man operation. Cleaning Dr. Monday's offices on 11th, and Veterinary offices to name a couple. He drove clients to/from Houston airports and cleaned and maintained client's homes and yards. He was at their beckoned call. He was a blessing to many in Huntsville. He was an active member of St. Thomas the Apostle Catholic Church in Huntsville, volunteering for whatever was needed. He delivered food stuffs donated for the less fortunate to the Good Shepherd Mission. In addition, he contributed countless hours and miles to community involvement, serving his church and others

through participation in the local St. Vincent DePaul Society Conference. One of his main missions in life was to serve the Lord through others. David was a blood donor for years and when he was no longer able to give his blood, he would set out the many blood drive signs throughout the City, for Esther Cousins every month.

Left to cherish his memory is his wife Sally of 43 years, daughter Whitney and son-in-law George Peek; granddaughter Amelia Peek; sister and husband, Marguerite and Tom Duesing; brother and wife, John and Judy Duesing; sister-in-law Bonnie Duesing; numerous nieces and nephews in Austin and beloved fur babies.

Sally, I am so sorry to learn of David's passing. He was such a great guy! He had such great faith and so much trust in God! We don't have to worry about where he is now. It's too bad we don't have more people like him in our world! He was such a blessing to me with the blood drives by putting out the signs for me. And donating blood was very important to him. I don't know if he was even aware that he had donated 51 times which was more than 16 gallons so he had helped many, many lives be healthier and be able to enjoy their families longer! He was a very special man to a lot of people--especially to me! I would be happy to help his family any way I can!

I knew David because he was one of our "prayer warriors" who supported the Pro-Life movement. He always supported us, whether in person or in prayer. He served God in so many ways, but especially by his good example in always helping others. I have no doubt that God has a "special" place in heaven for him with his beloved Natalie. I am sorry for your loss Sally. I don't know you, but I can tell you that David spoke of you and Natalie often in our prayer gatherings. May God comfort and help you and the rest of your family as you adjust to the loss of this very special man.
