“ *Katie and Family:*

I know this note is late and hope you get it, not a day has passed since Davids funeral that I have not thought of him and youall. I just wanted you all to know what a special friend David was to me and my family. We had so much fun in our travels and I have a photo of Marty and David laughing along with the rest of us at a resturant I believe in Florida. Anyway, all of our best to you Katie and kids. David will be missed by all of us. You still remain in our prayers.

Love to you all,

Gerald

“Katie - Dave, Matthew, Rachel and Families...I am so sorry to hear about David. I loved him - he had such a great sense of humor; and he never met a stranger...and would give anyone and everyone the shirt off his back...he was a GREAT man and a wonderful Patriarch who will be remembered and honored through all of you and your children. May God bless all of you and continue to give you strength to get through this. Hugs and prayers from Singapore.
