“ My son went to school with David and shared friends with him and good times and sad times. Some times there are no words that can explain. As a parent, I can't imagine your pain. May you be comforted by grace and love of God and all of David's friends.

“ My heart is broken. David was such a great citizen of the world. His death will leave an empty place here on earth for quite some time. No one can forget his smile.

He was my student in AP English at Miller in Katy. My prayers are with all of you.

“ David was a pleasure to have in our house. He was always polite and considerate of others, something he surely learned at home. Bruce & I were continually impressed with his father's involvement with his sons in coaching baseball and calling endless swim meets in the hot sun. He had plenty of love from family and friends, and many who miss him.

“ David was in my 10th grade English class at Cinco. I talked to him a few times after he left my class, when he would come back to visit with Mr. Hollis, and his intelligence, sincerity and compassionate nature always shone through in our brief conversations. He will not be forgotten. My thoughts and prayers are with you and all his friends and family.

“ I know there is a big hurt inside and its not easy at all, when I heard the news I just wanted to be alone and cry. It is such a tender time. In my life the hurt has dwindled but does not go away and thats OK. Keep strong and trust in our Lord.
