“ *My life stopped when yours did. I feel empty knowing that you aren't with us anymore. I think back on the good times we had and it still makes me laugh out loud. You were a true and dear friend to me. It kills me that I could not be there for everyone and say my last goodbye, I went for a long walk and thought of our time together and said my goodbye in my own way. I feel that you heard me. I know when it is your time there is nothing you can do to change it. I know it has been a long while since we had seen each other, but you will still in my heart, I will never stop thinking about you and wishing you were still here.*

“ *There were many a night at the Pilot that I shared with someone who came to be a very good friend. Bubba and I worked so well together, that we could bang out tanks on 3 stores and be back in Huntsville with 4 hours left in our shift. Those are the memories I have chosen instead of those of the past couple of days. Bubba loved his family very, very much. There were numerous times all he talked about were his kids, wife and a trip to "build-a-bear". My deepest sympathies to a real family, not one pretending to be, on the loss to one of the best people I have ever known. Bubba was the real deal!*

“ "BUBBA" Now that's a true friend!! Most likely if you ever started driving around on a Saturday you would end up at Bubba & Angela's House, siting around a "Fire" with country music coming from ol'blue.. Never a invitation needed, just be you're self and make you're self at home!! From stories to jokes to life and love Bubba knew it all and if you didn't like his advise, too bad!! Bubba was the kind of FRIEND that you could call at 3 am and ask him to bring a shovel and a bag of lime and he would..lol. Most importantly, I will remember Bubba for what he stood for.. Good Friends, Honesty, Loyalty, Family, Cold Beer(miller lite) and Life!! My heart goes out to you Angela,Samantha,Brandi.. I love you all...!!

“ I don't even know where to start. All the nights I spent at ya'lls house were never dull. We always seemed to entertain our selves. I will miss Bubba's birthday in August when he always got everyone together. I'll miss his smile, laugh, and his soft heart. He was a sucker when Brandy or Sam wanted something. He saw those eyes and he always gave in. Bubba was a huge family person and everyone could tell he loved each and every one of you. Angela, you were his everything. I do believe if it weren't for you, he would have been lost in life. He will be missed greatly but he will always reamin in our hearts. I'm here for ya'll and I love ya'll so much. Donnie, thank-you for helping them through this hard time. Love you.

“ Angela I was trully saddened to hear of your loss. I was fortunate to have called Bubba a friend. Bubba was on of the first people to extended a hand in friendship to me when I moved to Huntsville. He told me that for being a yankee from Oregon I wasnt a half bad guy. I will always remember his friendship. I am planning on making the move back to Huntsville this summer and reconnect with the friends I made while in High School. It will not be the same without Bubba.

“ Angela,
I am at a loss for words, I just remember all the tailgate party's down at the lake where all we where worried about was who was going to tell the biggest lie. And make sure we got the girls home before curfew.
I will always remember him having that (you know what eating grin) and a good hearted story to tell. And knowing that not here anymore makes me sad, not only for his family, but for all of us who knew him briefly and for all of the people that missed out on meeting him all together. He was one of a kind, the good kind.
Take care and God be with you and your girls

“ Angela,

I had to think long and hard not believing this wasn't right. Bubba was like a brother and ya'll made the perfect pair. You could never see one without expecting the other to follow. I believe that God had a special plan for Bubba and that is why he chose to take him when he did. Everytime to think of Bubba, remember that he is your angel. Sam and Brandy are in my thoughts as well. Kids usually can bounce back quicker than it may take for you but just remember that ya'll are a family and Gog knew that you would be able to handle this. I love you and your girls. Please call me if you need anything!

“ Angela, Samantha, & Brandi We were so sorry to hear about your loss, But its not a loss he will be with you forever!!! He is gone ahead to prepare your places in Heaven. No one knows why God takes some of us before others. We just have to trust him and know we will all join them one day.

I just wish we would have spent more time with Bubba, But the little time we did was like knowing him forever. He just made you feel that way.

We are praying for you and just know God will see you through. He also wants us to lean on each other in times of need. So ANY TIME you need us please don't HESITATE to call.

On those sleepless nights you just don't want to call anyone, Write all your thoughts, memories, questions, & or frustrations down, turn it all over to God He will give you rest just ask.
