“ *It just seems appropriate to remind all of his family, friends, and acquaintances of the many times David came through for his friends when they needed his help or assistance. I personally knew him for almost 30 years, and I can't even begin to count the times he lent his friendship, knowledge and assistance to me and my family. He was always there, and you could always count on him. We also had a professional relationship for many years, and you could count on him to be firm, fair, and dependable. His word was his bond, and few men have that honor. He will be missed by the Conroe Community, and I will miss him as a friend.....Our thoughts and prayers to his entire family...*
