“ *Dave, I will never forget you, I paroled with you and Paul Rogers at the North Shepherd Sub Station 80's and early 90"s. I wrote many reports for you and Paul on the Arrests we made together. Ya'll hatted writing reports. I will never forget the time you and Paul Rogers (Your patrol Partner) placed the Little Tiny Titty Book in my seat at Roll call for all to see and read. Ya'll thought that was so funny. And I got ya'll back by placing Firecrackers under ya'lls seat. I never saw two big guys move so fast and leap so far out of your chairs. I had such a good laugh, we all did. You will be missed. Rest in Peace my Friend.*

“ *We are so sorry for you loss Shea and Brad. You Dad was a very special person. We have great memories from Orwall Baseball, grilling burgers at your house in Oak Ridge when y'all were growing up, and the years working with your Mom at Sally K! I know that your Mom and Dad are together now and will be watching over you both and your families.*

“ Worked with David on the night shift at North Shepherd. Had a lot of good times on that shift. But when business had to be done he always had my back and all the other officers that worked with him. Sure miss the poker games we played at his home along with Kay. She always had goodies for us to eat. Sure will miss the phone calls to him over the last few years. Great guy, great officer and a great friend.
