

David Keith Robinson

May 29, 1961 - December 27, 2023

David Keith Robinson passed away on December 27, 2023 at his home in Willis, Texas, which he shared with his wife Susan Robinson. Dave was born to Jerry and Dianna Robinson on May 29, 1961. In his last few weeks, he was surrounded by family and friends sharing old memories and making new ones. Dave ("The Bear") loved fishing, golf, and boating, and enjoyed good food and travel. He was always happiest near the water.

Dave was the first-born of his family and is survived by his three siblings, Ken, Kathi and Karyn. His pride and joy were his daughter Ashley Pohl, wife of Jared, and their daughters Kylie and Aleah. Grandpa Bear, a longtime horseman himself, loved watching the girls train, groom, and ride their own horses. Horsemanship is a passion Dave instilled in Ashley at an early age. Susan's two children, Amanda and David, and their families, were also very dear to Dave. Amanda and Mark are raising three "Bear" fans extraordinaire: Addy, Jack, and River; David and Lauren are raising two: Mason and Jax. One of Grandpa Dave's greatest joys during his last few weeks was hosting all seven of his grandkids at the same time together at the Lake Conroe house. Dave joined the United States Army after high school and earned his Computer Science degree there, launching his very successful career in computer technology. His humble start in the Army became the foundation for a life filled with achievement and service, during which he earned more computer technology certifications in his field than most of his peers. Dave was recognized to be at the top of his field as a cyber security expert.

Dave's greatest happiness in life came from enjoying it with the people he loved: his parents and siblings, his seven grandchildren, his dear wife's brothers and sisters, his many lifelong friends, and most of all, his loving wife Susan. Dave and Susan's time together has been cut short, but they lived every moment of their fourteen years together surrounded by loved ones and they rarely passed by an opportunity for adventure.

Please join us at our memorial celebrating Dave's life on January 5 at Sam Houston Memorial Funeral Home at 10129 FM 1097 in Willis, Texas. The reception will be from 12:30 to 2:00 p.m., with funeral service in the chapel to follow. Our memorial will conclude with the spreading of Dave's ashes on his beloved Lake Conroe. In the spirit of celebration, Dave requested that all attending wear festive Hawaiiin shirts. Please join us in remembering our dear Dave.

“ David Keith, you are my first born and Dad and I will miss you so much, we already do. Just want to say, and probably never told you, you have the greatest smile and I always loved it! You were so good to always call and check on us often and called Mama when she was living. You would always call her and say, "Hi Mama, it's your favorite grandson!" You always made her smile. She so loved the trip you paid for me to take with her and Pop Bearss to the Grand Ole Opry and to see Elvis' home. That was so nice and you always had a giving and caring heart.Dad and I enjoyed our trip to Colorado too. Thank you so much..

You were a wonderful Dad to Ashley. You always took her so many places got her horses, taught her to ride and loved her so much.

You found the love of your life in Susan. I'm so thankful you two had those 14 years together. She took good care of you and loved you as you did her. We are thankful you had those years together.

You studied so hard on all those very difficult computer books and tests and did great. We are so proud of you as your Dad said at the gathering. We love you so much and our lives will not be the same until we see you again in heaven. Love, Mom
