“ *I just found out about David and I am very heartbroken. We last talked on February 10, 2022 and David left the next day without saying goodbye. David made a difference in my life and my son's life.... a very giving and good person. We were planning on getting back into a more active role this year. :( I will miss my friend forever. Until we meet again David. Thanks for all you do for scouting....you will always be remembered.*

“ *David was the heart of our scouting family for many adults and youth. We will not forget all the time and advice he gave us at district events.*

“ *David was a great man and scouter. He helped me so many times first in cub scouts then in Boy scouts. He really loved his boys. He built one of the coolest kitchen set-ups I have ever since for camping. He really lived the out of doors, he introduced many young boys to camping and the appreciation of hunting and fishing. He was always willing to give of himself. All the adults loved him, he had a great sense of humor, and we all loved his stories.*
