

David Karl Schneider

November 25, 1964 - December 20, 2013

David Karl Schneider David Karl Schneider was born on November 25, 1964 in Houston, Texas. He graduated from Trinity High School and began his occupational journey in Huntsville at TDCJ-ID. A few years later he found his niche as the manager of Flag Ship Car Wash. It was in this position that he became known throughout Huntsville as a very likeable and approachable guy. So, when it was time to move on he made the inevitable transition to Hillcrest Ford/Bill Fick Ford. It is in this occupation that most people remember David. He made so many friends and loyal customers. He always had a smile on his face and product for you to buy. He never met a stranger and when you met him for the first time it was like you had been friends for years. David and Lupe met 15 years ago and their relationship can only be described as two best friends who were destined to be soul mates. He was a loving father and husband. He was very active in his children's lives from coaching baseball, going fishing, and attending football games to braiding hair, playing dress up and hosting pedicure parties. David lost his battle with cancer on Sunday, December 15 2013. He is preceded in death by his father, Karl Schneider; stepfather, J.R. "Broom" Dixon; and brother, Clifford Schneider. He is survived by his mother, Jerry Dixon; wife, Lupe Schneider, son, Logan; son, David; daughter, Savannah; sister, Terrie Ewell, husband, Bob; sister, Kim Stewart, husband Bob; brother, James Schneider; stepbrothers: Rusty Word and Jamie Dixon; stepsister, Tracey Dixon along with numerous nieces, nephews and cousins. Special thanks are extended to his physician Dr. Elham Abbasi-

Hafshejani, MD for the outstanding and unequalled care she provided. Also, additional appreciation to his extended family, the Monjaras' for their dedication, love and support. Family will receive friends Thursday, December 19, 2013, from 5:00-8:00 p.m., at Sam Houston Memorial Funeral Home in Huntsville, Texas. Mr. Schneider will lie in state Friday, December 20, 2013, with funeral services to begin at 6:00 p.m., at Sam Houston Memorial Funeral Home Chapel in Huntsville. Those wishing to leave memorial condolences for the family may do so at www.shmfh.com.

“ My deepest sympathy to David's entire family during this difficult time. May you all find comfort with each other and with the memories of what a wonderful person that he was ... Husband, Father, Son, Brother, Uncle or whatever relation, including Friend! He had such a positive attitude and I had the pleasure of spending several hours with him several months ago when he sold me my new car. I remember him also from the car wash days. He will be missed!

“ Lupe, We are so honored that you, DAvid and your children have become family. What an encourager he was without even knowing it. Just by watching him continue trying to fight the good fight and share his life with others gave me such hope as I'm sure it has for others. Especially for those who are sick and struggling. David was such a light thru this illness. I know he is without pain and suffering any more as he is now in the presence of GOD. You and your kids are in my prayers.

“ *I am sorry we never got to know each other as close cousins, like I did w/Terri, Kim, Bubba. As our families went different paths, I only remember what my Mom tells me of keeping you as a baby...had blond hair, was a good baby. I hear that you turned out to be a great guy, all-American Dad and Husband, & brother too. Thanks Kim for sharing pictures & not forgetting about us Hauck girls! All my loving prayers for the family, my family.....Love Renee & Gwyna*

“ My thoughts and prayers go out to Lupe, Little David, Princes, Logan, Mom, Sister Kim, and the rest of my brother Davids immediate family. Your loss is my loss! Your pain is my pain! David will be dearly missed! He was a true friend, a brother, and a great coworker! He was always ready willing and able to help out. We shared both good times and bad times together! We were always there for each other. David never met a stranger and had no enemies. He loved his job and was very good at it! Even during his illness he worked as much as he possibly could. Selling cars was his passion. He loved his family, his friends, his job, and life! I'm glad we got to go fishing and shared a heart felt evening on Lake Livingston giving the white bass a fit. I love you all and I will never ever forget my brother David!
