“ *Tammy, Wes and Family,
I know you had so little time with your sweet angel but you still have all those memories! She had a fighting spirit & surpassed all those expectations when she was born! I've loved looking at her precious photos knowing how how much she fought to be here. I know that she is in Heaven now passing around those beautiful smiles of hers and bringing joy to the other angels. Please know that you are in our thoughts and prayers... ☺☺☺☺
